Grantee	Duration	Value	Summary
<b>Association of Workers for the Protection and Conservation of Biodiversity (Flamengos)</b> 2153-CDE	2010-2014	\$93,017	<b>Animal Husbandry:</b> Associação dos Trabalhadores para Defesa e Conservação da Biodiversidade (“Biodiversidade”) is a community-based organization located in the underserved and poor community of Flamengos in the Santiago interior. The USADF project will improve animal husbandry infrastructure and provide training on animal care and small business development for 60 of the poorest households, with the goals of improving nutrition and increasing incomes amongst community members.
<b>Batuco Women’s Association of Alto Gouveia (AMBAG)</b> 2158-CDE	2010-2014	\$93,343	<b>Animal Husbandry:</b> Associação das Mulheres Batucadeiras de Alto Gouveia (“AMBAG”) is a nonprofit community-based organization located in poor district of Santa Domingos on Santiago island. The USADF project will improve animal husbandry infrastructure and provide training on animal care and small business development for 60 of the poorest households, with the goals of improving nutrition and increasing incomes amongst community members.
<b>Community Association for Low Lands Development (ACD-Campo Baixo)</b> 2185-CDE	2010-2014	\$72,171	<b>Animal Husbandry:</b> Associação Comunitária para o Desenvolvimento de Campo Baixo (“ACD-Campo Baixo”) is a community-based organization located in the underserved and poor community of Campo Baixo on Brava island. The USADF project will improve animal husbandry infrastructure and provide training on animal care and small business development for 60 of the poorest households, with the goals of improving nutrition and increasing incomes amongst community members.
<b>Associação Comunitária para o Desenvolvimento de Baleia (“ACD-Baleia”)</b> 2186-CDE	2010-2014	\$72,171	<b>Animal Husbandry:</b> Associação Comunitária para o Desenvolvimento de Baleia (“ACD-Baleia”) is a community-based organization located in the underserved and poor community of Baleia on Brava island. The USADF project will improve animal husbandry infrastructure and provide training on animal care and small business development for 60 of the poorest households, with the goals of improving nutrition and increasing incomes amongst community members.
<b>Community Association for the Development of Young Window Creators (AJCJ)</b> 2313-CDE	2011-2014	\$123,452	<b>Animal Husbandry:</b> Associação Comunitária para o Desenvolvimento de Jovens Criadores de Janela (AJCJ) is a community-based organization located in the remote town of Janela on the island of Santo Antão. The USADF project activities will provide the villagers with the necessary equipment and training needed to sustain a successful animal husbandry project. In particular, the project will provide residents with livestock of improved breeds and train caretakers in basic veterinary practices. Beneficiaries will also receive training in small business management.

Grantee	Duration	Value	Summary
<b>Association of Development and Training for People with Special Needs (ADEF)</b> 2366-CDE	2011-2014	\$98,210	<b>Services (Food Service):</b> The Associação de Desenvolvimento e Formação de Pessoas com Condições Especiais (ADEF) is a community-based organization working to raise awareness and provide support to people with disabilities and their families on the northern islands of Cape Verde. The USADF project will provide ADEF with the supplies, technical assistance, and training it needs in order to operate a successful snack cart business, which will create employment opportunities for people with disabilities and allow ADEF to more sustainably provide social services.
<b>Community Development Association of Source Aleixo-South and Forward Advancement (Fonte-Aleixo)</b> 2400-CDE	2011-2013	\$79,068	<b>Food Processing (Bakery):</b> The Associação de Desenvolvimento Comunitário de Fonte Aleixo-Sul, Avançar Para Frente is a community-based development organization owned by residents of Fonte Aleixo and Achada Poio on the island of Fogo. The USADF project will provide the Association with the financial and management training, technical capacity building, and additional supplies and human resources it needs to make a bakery fully operational, which will generate employment for community members, especially female heads of households and youth.
<b>Pastoral Agro-forestry Association - Cutelo Capado Development Promotion</b> 2437-CDE	2011-2014	\$130,801	<b>Agricultural Processing (Dairy):</b> The Associação Agro-Silvo-Pastoril – Promoção Desenvolvimento Cutelo Capado is a community-based organization owned by members of the poor and remote town of Cutelo Capado on Fogo Island, Cape Verde. The Association's current focus is on expanding production and sales from its goat cheese factory to generate income for poor and marginalized members of the community. The USADF project will provide the Association with the production capacity and technical skills needed to meet a growing demand for artisanal goat cheese in Cape Verde and to run an increasingly profitable social enterprise.
<b>Farm Workers Association of Monte Genebra</b> 2473-CDE	2011-2014	\$70,035	<b>Agricultural Processing (Dairy):</b> The Associação dos Trabalhadores Agro-Pecuária de Monte Genebra is a community-based organization serving the rural villages of Patim, Luzia Nunes, and Monte Genebra on the island of Fogo in Cape Verde. The Association will use the USADF project to make operational and profitable a goat cheese factory, which will generate employment and income for poor and marginalized members of the community.
